Why Convert Your Business to a Benjamin Franklin Plumbing?

As a small business owner, it can sometimes be hard to set your business apart from the pack, gain new customers, and grow your established business. At Benjamin Franklin Plumbing, we help business owners grow their business using our proven methods, tools, support system, and approach to plumbing services.

When you turn to our team, you'll realize you're receiving more than a franchise opportunity–you're receiving a chance to thrive! Plumbing company owners turn to us to help them create the business they've always wanted but that was always just out of reach.

Having the Benjamin Franklin Plumbing name means so much more than being recognized as a national plumbing leader. It gives you so much more, including:

- **Brand Recognition** Combine the power of a nationally-recognized brand with the local reputation and loyalty you've already developed
- **On-Demand Training** Online & on-site training keeps you and your employees on the cutting edge
- **Technology** Take the guesswork out of running your business with our trade-specific business management software with mobile integration
- **Peer-to-peer Networking** Gives you tips to build customer loyalty and increase sales opportunities through various "best practices" sharing
- **Purchasing Power** Manufacturer rebates, discounts and private label options that can add to your bottom line (Available through our affiliate BuyMax LLC)
- **Marketing** One-on-one assistance from experienced field marketers helps maximize your local market presence and stretch your advertising dollars
- **Call Center Support** 24/7/365 optional call center services available
- **Business Coaching** One-on-one assistance from experienced trades professionals who make on-site visits
- **Future Options** Helps you with exit strategies to define the true value of your business on retirement, or as a legacy for your heirs

What Our Franchisees Are Saying:

"The Benjamin Franklin system included the process, the software, the training and the marketing, so I didn't have to learn it on my own."
- Mike Brewer, Arizona

"With the training so great in our franchise system, it helps me with recruiting, retaining and properly operating my business."
- Lenny Siers, Florida & Alabama

"I can honestly say with the new software and new systems it has allowed me to spend more time at home, leave work earlier."
- Chris Bauman, Illinois
